TMX Select™ Symbol Roll Out Update

With the successful launch of TMX Select on Monday July 11, 2011, we're pleased to proceed with enabling additional symbols for trading as follows:

1. On Monday July 1, 2011, four additional symbols will be enabled for trading:

2. On Monday July 2, 2011, all constituents of the S & P TSX Index and ETF symbols will be enabled for trading.

On Monday August 2, 2011, all remaining TSX and TSX Venture equity symbols, including rights, warrants, notes, debentures, and exchangeables, will be enabled for trading.

A complete list of the above symbols to be enabled for trading on TMX Select can be found on the TMX Select website at <http://tmxselect.com>

For additional information or questions about TMX Select, please contact your TMX Account Manager.
