Alpha Migration to TMX Quantum™ Operational and Administrative Changes

MX Group has completed the migration of all member accounts to TMX Quantum. This migration is a significant step in our commitment to providing the highest quality of service to our members. The migration process has been completed and all member accounts are now active on the TMX Quantum platform. We encourage all members to log in to their accounts and verify their information. If you have any questions or concerns, please contact your account manager or our support team.

Key Dates

All member accounts will be migrated to TMX Quantum by the following dates:

Migration of all member accounts: **November 30, 2012**
